

RAM "C" Ball Base Installation Diagrams

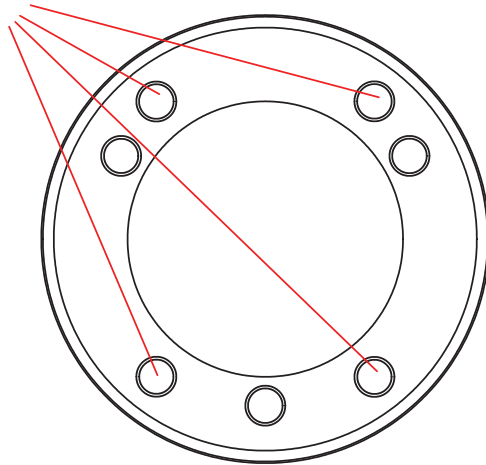

Stainless steel bolts, washers and locknuts are included with:

1. Kayalu Radpole®
2. Kayalu-accessorized RAM Mounts Fishing Rod Holders / Tubes
3. Kayalu-accessorized RAM "C" Ball Base Kit

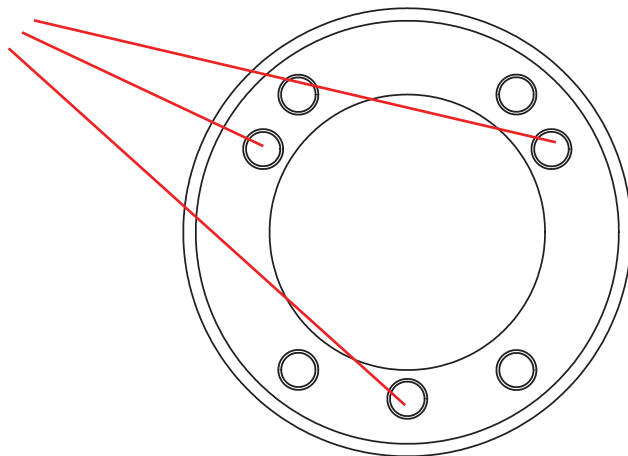

For decks of up to 3/8" in thickness (i.e. kayak, canoe), bolt length of 1 1/8" (supplied) is recommended. For decks from 3/8" to 1 1/2" in thickness (i.e. boat) bolt length of 2" (option) is recommended.

Recommended 4-Hole Pattern
for "C" Ball Base

Alternate 3-Hole
Pattern

Note: These drawings will not print at scale. Use actual base to mark off hole centers prior to drilling.
